Hey Builders 📚💡**Crypto, NFTs, Web3**...sounds exciting, right? But sometimes, it can feel confusing too.

"Chain Verse" is a beginner-friendly session designed to clear that confusion. Instead of buzzwords, we'll break **Blockchain** down into simple ideas, how data is stored, why it's called "trustless", and how apps can run without a central authority.

🔍 Topics to be Covered

- The Rationale Behind Blockchain
- Bitcoin & Ethereum: Architecture & Workings
- Decentralization, Trustlessness & Immutability
- Introduction to Web3 & DApp Development
- Hands-on implementation session

📅 Event Details

Day 1 – Offline Session

Date: 26th February**Time:** 2:30 PM – 3:30 PM**Venue:** B22**Speaker:** Prof. Lifna C.S

Day 2 – Online Hands-On Implementation Workshop

Date: 28th February**Time:** 11:00 AM onwards**Mode:** Online

💡 Why Should You Attend?

- Understand blockchain beyond the hype.
- Learn real-world applications of Web3.
- Get practical exposure with hands-on development.
- Perfect starting point for beginners.

🎟 Registration Fees:

- ✨ **FREE** for CSI-VESIT members ✨
- **Rs. 30/-** per Non-Member

🌐 How to Register?

Register now and be part of Chain Verse!

Registration Link: <https://docs.google.com/forms/Chain Verse>

For any queries, reach out to:

- **Harsh Totani (Jr. Treasurer):** [8010367778](tel:8010367778)
- **Ayush Attarde (Technical Head):** [9222001998](tel:9222001998)
- **Ryan Dsouza (Managing Secretary):** [9321638187](tel:9321638187)

Let's decode the blocks and connect the chains 🧑🏻💻🚀
See you there!

Warm regards,
CSI VESIT

The poster for 'Chain Verse' is set against a dark blue background with a glowing network of nodes and lines. At the top left is the Computer Society of India logo, and at the top right is the CSI-VESIT logo. The text 'CSI-VESIT PRESENTS' is centered at the top. Below it, 'CHAIN VERSE' is written in large, bold, white capital letters. Underneath, 'A Workshop on Blockchain Technology' is written in a smaller white font. A central graphic shows a timeline for two days: Day 1 (26th Feb, 2:30 pm to 3:30 pm, B22) and Day 2 (28th Feb, 11:00 am onwards, Online). The timeline is represented by a horizontal line with a vertical line in the middle, and icons for a calendar, clock, and location pin are used to denote the schedule and venue.
